# City Issues Amended Emergency Directive to Reduce Spread of COVID-19

**EL PASO, Texas** – Today the City of El Paso amended the City’s emergency directive in accordance with guidelines issued by the state and federal government, and the Centers for Disease Control and Prevention (CDC) to further mitigate the spread of COVID-19.

The following order will go into effective at 11:59 p.m. tonight, March 20, and will remain in effect until April 3, 2020:

- **Order No. 1:** In accordance with the Guidelines from the President and the CDC, every person in Texas shall avoid social gatherings in groups of more than 10 people.
- **Order No. 2:** In accordance with the Guidelines from the President and the CDC, people shall avoid eating or drinking at bars, restaurants, and food courts, or visiting gyms or massage parlors; provided, however, that the use of drive-thru, pickup, or delivery options is allowed and highly encouraged throughout the limited duration of this executive order.
- **Order No. 3:** In accordance with the Guidelines from the President and the CDC, people shall not visit nursing homes or retirement or long-term care facilities unless to provide critical assistance.
- **Order No. 4:** In accordance with the Guidelines from the President and the CDC, schools shall temporarily close.

The directive does not prohibit the public from visiting a variety of places, including grocery stores, gas stations, parks and banks, so long as the necessary precautions are maintained to reduce the transmission of COVID-19.

For offices and workplaces that remain open, employees should practice good hygiene and, where feasible, work from home in order to achieve optimum social distancing.

For more information visit [www.epstrong.org](http://www.epstrong.org) or [www.EPHealth.com](http://www.EPHealth.com) and click on the COVID-19 page.
