Beginning Saturday, March 28, 2020, the City of El Paso Environmental Services Department (ESD) will only accept credit card payments for disposal of waste at the Greater El Paso Landfill.

To reduce contact with cash payments and minimize the risk of spreading COVID-19, the landfill, at 2600 Darrington, will only be accepting credit and debit card payments until further notice.

City staff have been provided with protective gear, including gloves, will wipe down credit and debit cards with disinfectant to provide additional protection to customers and themselves.

All landfill visitors who do not have credit or debit cards will not be allowed on site.
