# COVID-19 UPDATE

## Testing Extended at Various Locations

**EL PASO, Texas**—The Texas Military Department Mobile Testing Team (TMD-MTT) will continue COVID-19 testing through July 13 at four drive-thru sites, one hybrid drive/walk-up site and various rural drive-thru sites within the El Paso City-County.

At the ongoing request of El Paso Mayor Dee Margo and the Office of Emergency Management, the Office of the Governor and the Texas Department of Emergency Management once again agreed to extend the testing in El Paso County.

With the exception of the hybrid site, the TMD-MTT testing locations are drive-thru and by appointment only. TMD-MTT has moved its online testing scheduling to a new Curative Testing website at <https://texas.curativeinc.com/welcome>. Additionally, the TMD-MTT expects to connect a new appointment phone line next week to help schedule testing appointments.

If residents do not have online access to make an appointment, they can still show up at the site to be tested if appointments are available on the same day or the following. Please note that residents are encouraged to make an appointment online to prevent slowing down the process.

All of the testing sites will now administer oral swabbing tests, instead of the nasal swabs. Testing is free and available to members of the community with or without COVID-19 symptoms.

The **Hybrid Drive/Walk-up Site** is available from 10 a.m. to 4 p.m. for patients on foot or in a vehicle during the following dates and location. No appointment is needed for the hybrid site; however, once the daily capacity of 250 is met the site will be closed for the day to additional testing.
