# Sun Metro Service Update

## COVID-19 Related Changes

Effective Wednesday, March 25, 2020 Sun Metro will implement service modifications in response to COVID-19. The service modifications will remain in effect until further notice.

Service adjustments are as follows:

- Fixed route service will operate on a Sunday schedule Monday through Saturday with the addition of the following:
  - Routes 19, 43, 71, 73 will run on a Saturday schedule, Monday through Saturday.
  - Brio service (Mesa, Dyer, Alameda) will run on a Saturday schedule, Monday through Saturday.
  - Routes 3 and 42 will keep peak service hours, Monday through Friday.
  - Sunday service along with routes 83 and 84 will remain unchanged.
- Fixed route service on Sundays will operate on a Sunday schedule with no additions.
- Streetcar service is suspended until further notice.

In line with the practice of social distancing, the following changes have also been implemented:

- All passengers will board and exit buses through the rear doors. Boarding exceptions will be made for riders who have accessibility needs and require the use of the drop-down ramps located at the front doors.
- All passengers are encouraged to leave two empty seats between themselves and others.

In order to accommodate rear entry and exit only (excluding exceptions noted above), **Sun Metro is waiving all bus fares on Fixed Route, BRIO and LIFT services until further notice.**
